

NORTHVILLE PUBLIC SCHOOLS

PAY TO PARTICIPATE – ATHLETICS

Due to budget reductions for the 2010/2011 school year, we will be implementing a participation fee for athletics. All students participating in athletics in grades 7 – 8 will pay a one-time yearly fee of **\$150.00**. All students participating in athletics in grades 9 – 12 will pay a yearly fee of **\$300.00**. This fee will only be paid once regardless of how many athletic teams your son/daughter decides to participate on. There is a **\$750.00** per family maximum, includes grade 7-12.

The participation fee is automatically waived for families who have qualified for free lunch. Grants or payment plans may be available to students with financial hardships. Families with this concern should contact the Athletic Director's office. Self-funded varsity programs that use Northville Public School facilities will have a reduced fee to help cover the cost.

You have two options for payment.

Fill out the bottom section and bring it to registration or Athletic Office with a check made out to **Northville Public Schools**.

-or-

Fill out the bottom section and mail it with a check made out to **Northville Public Schools** to the following address:
